General Product Safety Regulation – EU 2023/988  
Notification of Authorized Representative and Responsible Person

Dear Valued Customer,

Revelyst Inc. and its affiliates, subsidiaries and brands strive to provide safe, effective, and high-quality products for the outdoor consumer. For purposes of this communication, the subsidiaries and brands covered by this notification include, but are not limited to, Bell, CamelBak, Giro, and Fox Racing (herein collectively referred to as “Revelyst”).

Revelyst confirms that all products, as defined by EU 2023/988, comply with Article 9(5), (6) and (7) as applicable. As required by EU 2023/988, Revelyst shall provide documentation per Article 9(1) and (2) including technical documentation, test reports, instruction manuals or similar documents as necessary and appropriate for ensuring compliance with EU 2023/988.

Revelyst has appointed the following entity as its Authorized Representative and EU Responsible Person for the purposes of compliance with the General Product Safety Regulation (EU 2023/988).

EU Authorised Representative (for authorities only)  
Adventure Sports Group Europe S.L.U.  
C/Canudas 13-15, El Prat del Llobregat  
Barcelona, Spain, 08820  
[Product.compliance@revelyst.com](mailto:Product.compliance@revelyst.com)

This will apply for the following manufacturer and/or entities:
