

General Product Safety Regulation
Protest | Dekker Olifanta B.V.
Version: November 2024

At Protest, we take product safety very seriously. We are committed to ensuring that all our products comply with the General Product Safety Regulation (GPSR) standards. As a manufacturer, we design, produce, and test our products to meet the highest safety and quality requirements set by European law, specifically the new General Product Safety Regulation (GPSR) (Art. 3(8), Regulation (EU) 2023/988).

We pride ourselves on delivering high-quality products that meet the highest safety standards. However, if you encounter any issues or believe a product does not meet these expectations, please contact us through our support channels for assistance and return information:
