

## Sea to Summit (EN) GPSR (Regulation (EU) 2023/988) Statement

### General Statement

Sea to Summit is committed to ensuring that our products comply with the General Product Safety Regulation (Regulation (EU) 2023/988) and meet the necessary safety standards. We work closely with our suppliers and manufacturers to ensure that our products are designed, produced, and tested to be safe for their intended use.

In the unlikely event that you have concerns about the safety of a Sea to Summit product, we encourage you to reach out to us for assistance. We will review any concerns promptly and provide guidance on how to proceed. To facilitate a prompt resolution, please provide relevant product information such as the item name, batch code, or any other identifiers included on the label or packaging.

For inquiries or to report safety issues, please contact us using the details below:
