

GPSR COMPLIANCE STATEMENT / TYR EUROPE

General Product Safety Regulation (EU) 2023/988

1. Company Details

Company Name: TYR EUROPE

Legal Form: Société par Actions Simplifiée (SAS)

Registered Address: 26 Quai d'Alma, 68100 Mulhouse, France

Territories Covered: European Union, Switzerland, United Kingdom

2. Scope of Products

This declaration covers the following product categories placed on the market by TYR Europe:

- Swimwear (performance and recreational)
- Swim accessories (goggles, caps, bags, training aids)
- Footwear (sports-related)
- Sports apparel and related textile products

3. Compliance with Safety Requirements

TYR Europe ensures that all products made available to consumers meet the applicable general safety requirements outlined in Regulation (EU) 2023/988. Products are designed and manufactured in accordance with recognised industry standards and are not hazardous under normal or foreseeable conditions of use.

4. Supporting Documentation

For each product category, TYR Europe maintains a technical documentation file, including but not limited to:

- ISO and product performance test reports
- Chemical safety test reports
- Declarations of Conformity (DoC)
- Warning and usage instructions on the leaflet

All documents are available upon request from competent authorities.

5. Languages of Consumer Information

Product instructions and safety information for goggles, caps and footwear are currently available in English, French and Spanish.. Additional languages may be added depending on market needs and regulatory requirements.

6. Responsible Person in the European Union

TYR Europe acts as the Responsible Person under GPSR.

All regulatory enquiries should be addressed to:

Compliance Department

TYR Europe – 26 Quai d'Alma, 68100 Mulhouse, France

Email: [Insert dedicated compliance email]

Phone: [Insert number]

7. Market Surveillance Cooperation

TYR Europe is committed to cooperating with national market surveillance authorities in the EU, UK, and Switzerland. We undertake corrective actions, product recalls, or withdrawals when required to ensure consumer safety.

8. Updates & Traceability

All product batches are traceable through internal systems. TYR Europe updates its technical files and safety documentation as needed based on regulatory changes or product modifications.
