

General Product Safety Regulation
M.G.M. s.p.a.
Version: December 2024

At M.G.M. s.p.a., we take product safety very seriously. We are committed to ensuring that all our products comply with the standards of the General Product Safety Regulation (GPSR). As manufacturers, we design, produce, and test our products to meet the highest safety and quality requirements established by European law, specifically the new General Product Safety Regulation (GPSR) (Art. 3(8), Regulation (EU) 2023/988).

We are proud to offer high-quality products that meet the strictest safety standards. However, if you encounter any issues or believe that a product does not meet your expectations, we encourage you to contact us through our support channels for assistance and return information:
