

Commitment to Compliance with the General Product Safety Regulation (GPSR)

UVEX SPORTS GmbH reaffirms its firm commitment to ensuring the safety and quality of its products in accordance with the General Product Safety Regulation (EU) 2019/1020 and all other applicable European Union legislation. As part of this commitment, we ensure that every product manufactured, imported, or distributed by our company undergoes stringent quality assurance processes. We fully adhere to all GPSR requirements to guarantee that our products are safe for consumers when used under normal or reasonably foreseeable conditions.

— UVEX SPORTS take the following steps to ensure ongoing compliance with the GPSR:

1. Product Testing and Risk Assessment: All our products undergo thorough testing, and risk assessments are carried out to identify and mitigate potential hazards. We adhere to the safety requirements outlined in relevant EU legislation, including specific standards for product categories.

— **2. Supplier and Manufacturer Monitoring:** We work closely with our suppliers and manufacturers to ensure that their products also meet all applicable safety regulations, and we require them to provide relevant documentation such as certificates of conformity.

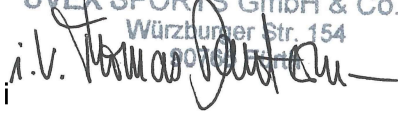

3. Clear Labeling and Instructions: We ensure that all products are properly labeled with necessary safety information, warnings, and usage instructions, in accordance with EU standards. This ensures that consumers have all the information they need to use our products safely.

4. Recall Procedures: Should any product unexpectedly present a safety concern, our clear and efficient recall procedure ensures consumer protection.

5. Ongoing Monitoring and Reporting: Through ongoing product monitoring and close cooperation with regulators, we ensure we stay current with changes in EU product safety regulations.

We consider consumer safety our top priority and are fully committed to ensuring that all our products comply with the EU's stringent General Product Safety requirements.
